**CALL FOR PAPERS**

Dear Colleagues,

We cordially invite you to participate at the Fourth European Conference on Renewable Energy Systems (ECRES2016). The event is going to be organized in Istanbul/Turkey on **28-31 August 2016** by the local organizers *Gazi University* and *Yıldız Technical University*. Besides, *Pitești University (Romania)*, *Klaipeda University (Lithuania)*, *Aalto University (Finland)*, *University of Perugia (Italy)*, *Isra University (Jordan)*, *Illinois University (USA)*, *Tebessa University (Algeria)*, *Riga Technical University (Latvia)*, *Basque Country University (Spain)*, *Texas A&M University at Qatar (Qatar)* and *Brasov University (Romania)* take a part in the international organizing committee. *Turkish Science-Research Foundation (TÜBAV)* supports the event, academically.

The first, second and third conferences were completed successfully in Alanya/Antalya (2012), in Antalya (2013) and Kemer/Antalya (2015). At least 260 papers/abstracts were presented from all over the world, and published the highly amount of selected ones in Thompson SCI and SCOPUS indexed reputable journals.

All accepted papers will be published in a special Conference Proceedings. Four SCI-indexed journals *Renewable Energy* (IF: 3,476), *J. Electronic Materials* (IF: 1.798), *Int. J. Hydrogen Energy* (IF: 3,313) and *Scientia Iranica* (IF: 1,025) are the official “special issue” journals of the event. High amount of papers, registered and presented in the event will be published in the journals. Besides, *SCOPUS-indexed*, *EI* and *EBSCO-indexed* journals will also receive some extended papers for their regular issues. Please feel free to circulate this message among your colleagues. We would like to send our greetings to all of you and looking forward to seeing you in Istanbul - lovely, touristic and historical city.

**Prof. Dr. Erol KURT**  
 Chairman

**Topics (not only limited those):**

- Wind Energy
- Solar Energy with PV and concentrating systems
- Hydro-energy
- Hydrogen generation and storage
- Fuel-cell
- Biomass and bio-diesel
- Harvesters
- Plasmas and fusion energy
- Geothermal energy
- Alternative energy resources
- Electrical applications in energy
- Energy efficiency
- Energy policy and Energy-environment relations
- Computational and applied fluid dynamics in energy
- Grids and smart grid systems
- Energy storage and transmission
- Innovative illumination systems
- Material research for energy systems
- Advanced cooling/heating systems
- New approaches to conventional energy systems
- Green buildings
- Energy conversion systems
- Energy-exergy analysis
- Recycling systems
- Waste management
- Informatics for energy

**Deadlines:**

- Paper/Abstract Submission ends on 30<sup>th</sup> May 2016*
- Sending of Acceptance Letters starts on 15<sup>th</sup> February 2016 for early submitted papers*
- Early-bird registration ends on 1<sup>st</sup> June 2016*
- Normal registration rates are valid after 1<sup>st</sup> August 2016 till the conference day*
- Conference Dates on 18-31 August 2016 (28 August 2016 is the registration and orientation day)*

**Conference Venue:**

Yıldız Technical University Convention Center  
 Davutpaşa Mah. Davutpaşa Caddesi 34220 Esenler- İstanbul
